

DOWNRIGGING WEEKEND FESTIVAL COVID 19 ASSUMPTION OF RISK ACKNOWLEDGMENT

When purchasing tickets for Downrigging Weekend, all ticket buyers will be required to acknowledge the following assumption of risk.

I acknowledge that my voluntary participation (and, if applicable, the participation of the other people in my party) in the Sultana Education Foundation's (SEF) Downrigging Weekend Festival will involve interaction with members of the public during the COVID-19 pandemic while community transmission may still be occurring. Furthermore, I understand that COVID-19 is a serious disease that, if contracted, could lead to life-threatening illness and other long-term health risks. I acknowledge that even though SEF has taken necessary and reasonable steps to minimize the risks of my COVID-19 exposure while participating in the festival, there is no way to eliminate my risk of exposure. As a condition of my voluntary participation in SEF's Downrigging Weekend Festival, I agree to follow all policies implemented by SEF and its associates related to minimizing the risk of COVID-19 transmission, as well as all local, state, and federal guidelines and restrictions concerning COVID-19 in place at the time of the festival. Understanding the above, I voluntarily choose to accept and assume the risk related to COVID-19 transmission associated with my voluntary participation in SEF's Downrigging Weekend Festival. I further agree to hold SEF and all other entities, businesses or governmental bodies associated with the festival harmless if I contract COVID-19 as a result of my voluntary participation.
